BETTS IS BETTER CHOICE

He Is Favorite Over White in
To-morrow's Bout in
San Francisco.

BOTH MEN ARE IN TRIM

BY TAD.

The Britt White fight to-morrow night means a great deal to the fans of the game in England, since here we are interested in the winner. We want to know whether the English champion will give us a first-class performance or whether he will be the greatest boxer in years since the fight between him and the late Tom Sayers.

If the Briton should win from Britt and take what prize money he has won, it would be the greatest prize in years since the fight between him and the late Tom Sayers.

The betting public, however, do not figure White as even better, and already the odds are being offered at 10 to 1 in his favor. The odds are being offered at 10 to 1 in his favor.

White has been a long, long time since they had a champion across the pond, and at one time might set them right.
